

THE NEW FORD TRUCKS  
**F-MAX**

2019

F-MAX

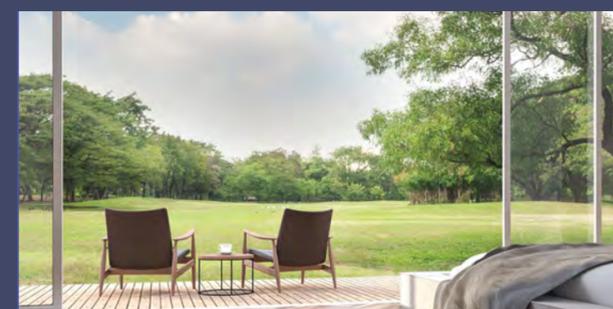

**THE NEW BIG, F-MAX**

**MAXIMUM COMFORT.  
MAXIMUM TECHNOLOGY.  
MAXIMUM POWER.  
MAXIMUM EFFICIENCY.**

Meet the new F-MAX,  
the largest member of  
the Ford Trucks family.

The new **F-MAX** offers a unique, innovative design and all the comfort of home.

**F-MAX**

THE NEW DESIGN

F-MAX

## MORE THAN JUST A TRACTOR, **F-MAX IS A DESIGN WONDER.**

Forget everything you know about tractors! With its new, 2,5m wide cabin, improved headlights, steps, storage space and many other features, the exterior design of the F-MAX redefines power, prestige and aesthetics.

SPECTACULAR HEADLAMP DESIGN

MIRRORS WITH  
WIDE FIELD OF VISION

COMFORTABLE WIDE CABIN

DYNAMIC  
FRONT GRILLE DESIGN

FOLDABLE SIDE SPOILER

FUNCTIONAL  
EXTERIOR STORAGE

ERGONOMIC SIDE STEPS

**F-MAX**

#### HEADLAMP DESIGN

The F-MAX's spectacular new headlamp design illuminates the road more brightly, making sure nothing escapes your sight.

- Manoeuvre-assist lighting
- LED daytime running lights
- Optional LED low beams

#### MIRRORS

The new F-MAX's mirrors put everything right in front of your eyes.

- Designed for perfect field of vision
- Electrical and heated main rear-view mirrors

#### FRONT STEPS

Designed for easy access to all parts of the vehicle.

- The innovative, ergonomic design allows the steps to easily fold, providing comfortable access to the windshield.

#### EXTERIOR STORAGE

The wide exterior storage of the new F-MAX lets you pack everything you need while on the road.

- The wide storage space throughout the cabin comfortably stores your personal belongings
- Easy access from inside and outside with a cover that opens 90 degrees

#### SIDE STEPS

The new F-MAX's functional steps are designed to make your life easier.

- Illuminated, wide steps designed for easy access into and out of the vehicle
- Aerodynamic step cover with waterproof sealing

THE NEW **COMFORT**

**F-MAX**

MORE THAN JUST A TRACTOR,  
**OUR BIGGEST VEHICLE EVER**  
**WILL MAKE YOU FEEL AT HOME.**

**STEP INSIDE FORD TRUCKS' WIDEST CABIN EVER.**  
Every detail of the new F-MAX is carefully designed for maximum driving comfort. The dashboard and all drive-assist technologies are designed to be within an arm's reach.

**THE DOORS OF THE NEW F-MAX  
OPEN INTO A WIDE LIVING SPACE  
WITH UNPARALLELED COMFORT.**

**EVERYTHING YOU NEED FOR  
DRIVING COMFORT IS WITHIN  
YOUR REACH.**

**ERGONOMIC NEW STEERING WHEEL**

The adjustable, new steering wheel of the F-MAX provides ultimate driving comfort.

- Leather steering wheel with sport design
- Fully adjustable steering column
- Steering wheel switches for easy access to multimedia screen, radio and other features

**NEW CLUSTER SCREEN**

The instrument cluster of the new F-MAX displays all the information you need to improve your driving comfort.

- 8" colour screen

**NEW MULTIMEDIA SCREEN FOR  
EVERYTHING YOU NEED**

Access all the information you need on the new F-MAX's multimedia display.

- 7.2" LCD touchscreen
- Radio and USB connection
- Optional navigation feature
- Hands-free mode
- Apple CarPlay® compatibility
- Bluetooth®

### WIDE FIELD OF VISION

The new rear-view mirrors were designed for a wide field of vision so you will not miss even the tiniest detail.

### NEW DRIVER'S SEAT FOR UNPARALLELED COMFORT

The new F-MAX's driver's seat provides maximum comfort.

- Ergonomic seats that provide the lumbar support you need while on the road
- High-quality, breathable fabric
- The best in its class with a 260mm seat adjustment range

### AUTOMATIC AIR-CONDITIONING SYSTEM

Comfortable journeys at the ideal temperature during any season.

- Easy-to-reach air-conditioning control unit
- Simple, functional design
- Air-conditioning control unit providing natural air flow while regulating cabin temperature

### COCKPIT TYPE DASHBOARD

The ergonomic dashboard of the new F-MAX provides easy access to all control systems.

**FREEDOM OF MOVEMENT  
IN A WIDE LIVING SPACE**

**PACK AS MANY BELONGINGS AS YOU LIKE!  
THE NEW F-MAX HAS AMPLE STORAGE SPACE.**

**OVERHEAD STORAGE SPACE**

Overhead storage cabinets with 225l storage capacity

**EASY-TO-OPEN OVERBED STORAGE**

- Airplane-type, piston-spring lid design
- High-volume, overbed storage space
- 105l storage capacity

**FULLY FOLDABLE UPPER BED**

The fully foldable upper bed provides a comfortable sleeping space

**SECURITY NET  
FOR A COMFORTABLE SLEEP**

The security net ensures a safe and comfortable sleep

**UNDERBED STORAGE  
FOR EXTRA SPACE**

- Two stowage compartments under the bed
- Easy access to exterior storage

**EASY-ACCESS FRIDGE**

The 38l fridge can easily be reached from the driver's seat and bed

**FUNCTIONAL BED AREA**

- Box-spring bed for increased comfort
- Washable surface fabric
- Lounger-type folding lower bed
- The control unit is easily within reach from the bed

THE NEW **TECHNOLOGY**

**F-MAX**

MORE THAN JUST A TRACTOR,  
IT'S A WINDOW INTO THE FUTURE.  
**THE NEW F-MAX,  
DESIGNED FOR A SAFE AND  
COMFORTABLE DRIVE.**

**WIDE DISPLAY SCREEN FOR ALL THE INFORMATION YOU NEED.**

**MyView**  
Personalised MyView technology displays all required data on your main screen

**Trip Computer**  
Displays all trip data such as driving distance and average fuel consumption

**Tire Pressure Monitoring System (TPMS)**  
Sensors collect temperature and pressure information for each tire  
Ensures ideal tire pressure for safety and fuel-efficiency  
Displays sensor values on the display screen

**Axle Load Indicator**  
Prevents excessive and incorrect loading by displaying the rear axle load status

**Smart Maintenance**  
Smart maintenance feature shows the oil life of the vehicle

**Driver Evaluation**  
Analyses and scores driving style based on criteria such as braking and acceleration during the journey, shares a recommendation screen to improve driving if activated

**Auxiliary Heater Settings**  
Change temperature and timer via the display screen  
Parking heater using engine heat during short-term parking

## MULTIMEDIA AND VISUAL SYSTEMS

The smart, high-tech screens of the new F-MAX put ultimate comfort at your fingertips.

Access radio and navigation controls with a single tap on the touchscreen.

Connect your smartphone via the improved Bluetooth® connection to access Apple CarPlay® and Weblink applications.

### ALL INFORMATION ON A SINGLE SCREEN

The easy-to-use main screen displays the calendar, radio and all connections in one place

### LIFE IS EASIER WITH APPLE CARPLAY®

Access your smartphone via the touchscreen by connecting with Apple CarPlay®

### TRUCK SPECIFIC NAVIGATION SYSTEM

Navigation feature that maps the ideal route for tractors and heavy commercial vehicles

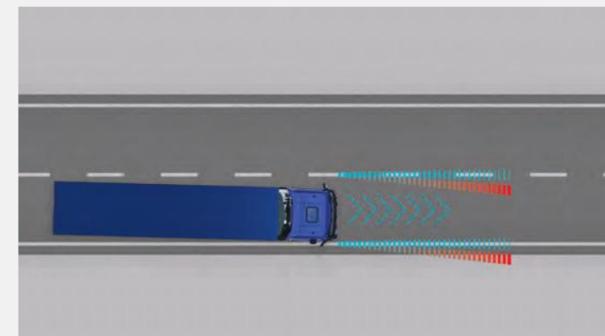

### 7.2" MULTIMEDIA SCREEN WITH MULTIPLE OPERATING MODES

7.2" touchscreen with night and day modes

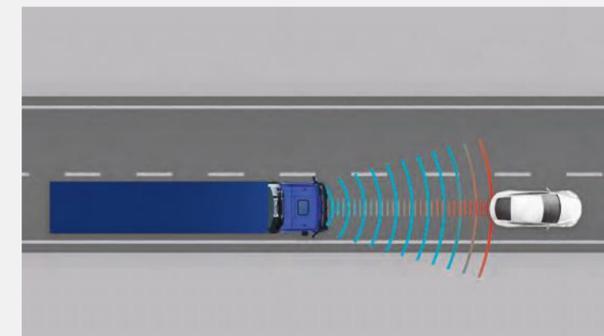

## CONTROLLED AND SECURE DRIVING COMFORT

With its advanced drive-assist systems, you have more than one reason to trust the new F-MAX.

### LANE DEPARTURE WARNING SYSTEM (LDWS)

Audio and visual warnings against lane departure during the trip

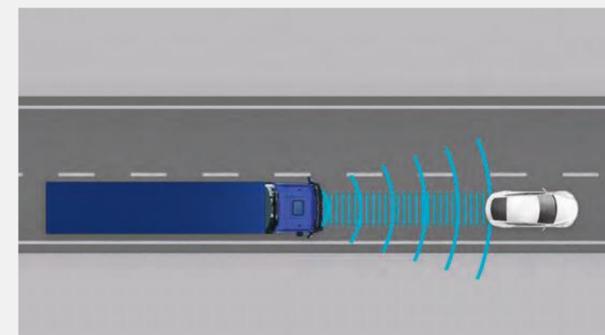

### ACTIVE EMERGENCY BRAKE SYSTEM (AEBS)

Measures the distance from the vehicle in front and brakes in an emergency to ensure that the vehicle slows down safely

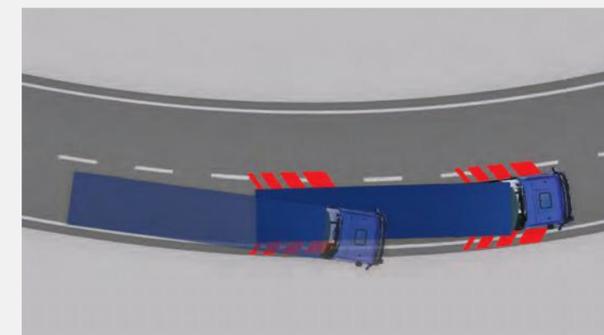

### SPEED LIMITER

Helps save fuel by setting a speed limit and follow traffic regulations on roads with a speed limit

### ADAPTIVE CRUISE CONTROL (ACC)

Measures the distance from the vehicle in front to maintain the ideal trailing distance and adjusts your vehicle's speed to maintain the distance

### ELECTRONIC STABILITY PROGRAMME (ESP)

Maintains vehicle balance at different road and climate conditions by interfering with the braking system to prevent the risk of skidding and tipping

### HILL LAUNCH ASSIST

Prevents the vehicle from skidding during launch and helps you handle the vehicle while braking or driving on slippery roads

# CONNECTRUCK

## A SMART TECHNOLOGY PLATFORM THAT INCREASES EFFICIENCY AND MAKES LIFE EASIER

Introducing ConnectTruck, the system that allows you to access all information regarding the new F-MAX. With ConnectTruck, you can remotely connect to your vehicle to get location, fuel status and performance information any time.

### MAXCRUISE

- Analyses road type and conditions, automatically adjusts speed changes
- Improves the fuel consumption of the new F-MAX with its smart software

### FLEET MANAGEMENT SYSTEMS INTEGRATION

- With no need for additional hardware and activation upon request, the system is a standard feature of the new F-MAX
- Seamlessly access vehicle information anytime

### CLOUD COMPUTING TECHNOLOGY

- Safely records all the data about the new F-MAX and analyses it when needed
- Prepares a data table from all the recorded information and provides personalised solutions

### DRIVE ASSIST AND DRIVE EVALUTION TECHNOLOGIES

- The drive assist feature ensures fuel economy
- Analyses driver profile and offers continuous tips to improve your comfort
- Calculates a performance score based on numerous parameters

### REMOTE DIAGNOSIS AND SOFTWARE UPDATE

- The needs of the new F-MAX are remotely diagnosed and quick action is taken to improve performance
- Fast, remote and continuous updates for the ConnectTruck software
- Updates that improve vehicle performance

THE NEW **POWER AND EFFICIENCY**

**F-MAX**

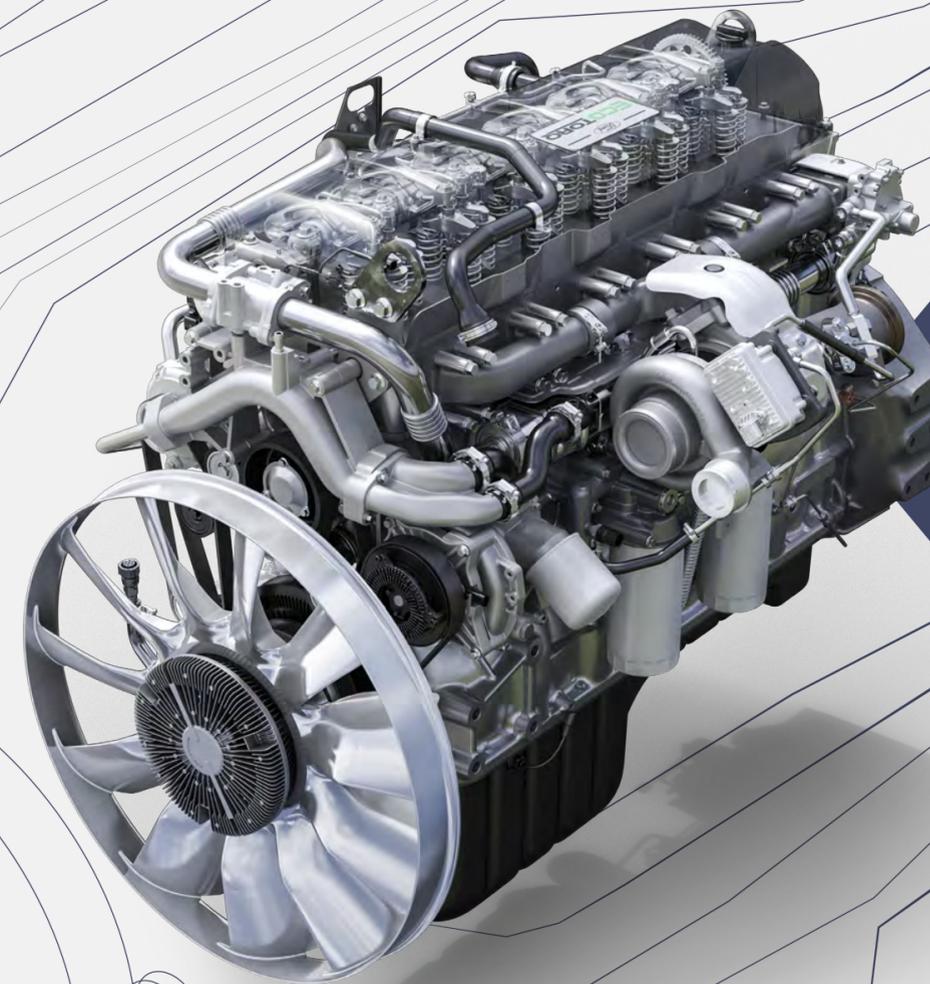

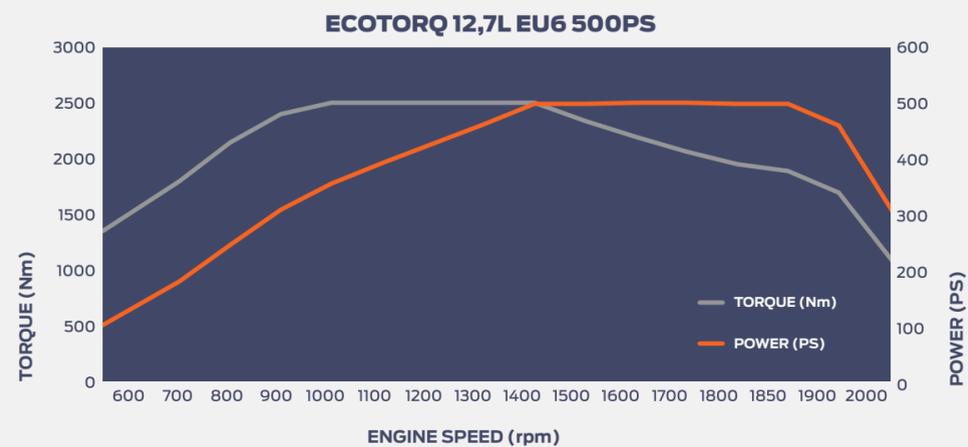

# MORE THAN JUST A TRACTOR, IT'S 500 PS OF PURE POWER.

With its 500 PS ECOTORQ engine, the new F-MAX is a wonder of engineering. And with a torque value of 2500 Nm, F-MAX combines power with fuel efficiency, even on the toughest roads.

## ECOTORQ E6 ENGINE

The new F-MAX's ECOTORQ engine offers maximum performance and minimum fuel consumption under any road condition.

- 500 PS engine, 2500 Nm torque
- Different drive modes such as Eco Mode and Power Mode help optimise fuel consumption
- E-viscous fan
- Variable-geometry turbocharger
- Water pump and compressor with multiple working speeds
- 400 kW engine brake power

# MORE THAN JUST A TRACTOR, IT'S A MASTER OF FUEL EFFICIENCY.

## THE PERFECT HARMONY OF ENGINE, TRANSMISSION AND REAR AXLE

The new F-MAX ensures fuel efficiency with its powerful Ecotorq engine and offers a unique driving experience with its 12-speed ZF automated transmission that provides precise gear shifting.

The special software developed through extensive road testing precisely calculates the right engine and gear shifts for different road and driving conditions.

With the special software, the vehicle's engine runs at the most efficient rotation range and improves fuel consumption. The optimised rear axle ratio helps transfer power from the engine to the wheels without any loss.

This perfect harmony also gives you an enormous braking power. In addition to 400kW engine brake power, 1,000kW total braking power is achieved with the optional intarder.

## ENVIRONMENTALLY FRIENDLY

- Perfect harmony and optimum performance with after-treatment systems
- Compliance to Euro 6D emission standards

## AERODYNAMIC PERFECTION

With the new F-MAX, the wind always works for you - not against you.

- Aerodynamic build optimised with spoilers
- Lower fuel consumption with decreased air resistance

## THE NEW FORD TRUCKS F-MAX WITH REDUCED TOTAL COST OF OWNERSHIP!

### FULL EFFICIENCY WITH LOW FUEL CONSUMPTION

Highly efficient Ecotorq 500 PS ensures reduced fuel consumption with compatible powertrain systems.

MAXCRUISE technology enables more efficient use of the vehicle and reduces fuel costs. System identifies the route using topographic GPS data and provides optimum speed range with its smart software to minimize fuel consumption.

### ALWAYS ON THE ROAD WITH MINIMUM DOWNTIME

Comprehensive service contracts and increased maintenance intervals designed for the new F-MAX will make you save more.

Easily accessible spare parts will minimize downtime.

### MAXIMUM VALUE WITH HIGH TECHNOLOGY

Equipped with high-tech features and designed using top quality materials, the new F-MAX brings more benefits to pre-owned sales.

### EFFICIENCY ON THE BUSINESS OPERATIONS WITH CONNECTRUCK

FMS integration compatibility provided with ConnectTruck will provide you an efficiency on your operations.

Over-the-air software update and remote diagnostics will keep you on road.
